	Appraised by us John Downes				

	John Poole Daniel Blys William Palling			
Latin	Thomas Merrett			

Transcriber's Note

A few unrecognisable words.

Once again Latin written in very shaky writing making it illegible and so I cannot pick out the name of the executor/trix.

I am pretty certain that everything took place in 1721 not 1722

Firstly it does appear to be a 1725 inventory not a 1721 one

Names are difficult to read – not sure whether “Mr” is correct – it only seems to apply to two names

Cannot work out what the 1 ½ loads consists of!
