Transcriber's Note – Sarah Harris

line 14: c=cwt or hundredweight, qts= quarter of a hundredweight, li= lb (pound weight)

line 16: Guiny transcribed - there might be a superscription indicating a missing letter (s) ; word not recognised

line 18: scruff= (possibly) scruff metal - the dross of metal or oxidised metal

line 21: Sadware = dull metal possibly pewter

line 25 Coues - probably accurate transcription - word not recognised

line 27 burres - word not recognised

line 30: sauealls - I think this is correctly transcribed but the word is not recognised

line 32: barber: this is barb with I think an 'er' superscription: word not recognised

line 34 alchemy spoons were gold coloured spoons - in this case almost certainly made from brass

Total I believe the figures are correctly transcribed but the total isn't accurate
